

Sports Medicine

ISSN: 0112-1642 (Print) 1179-2035 (Online)

Publisher: Springer International Publishing

Impact Factor: 7.074

Website: <https://link.springer.com/journal/40279>

Frequency

12 issues per year

Registration requirement

Yes for RCTs, requires registration at a database recognized by the International Committee of Medical Journal Editors. No mentions for SR or SRMA registration.

Endorsement of reporting guidelines

RCTs - follow the reporting guidelines specified in the CONSORT Statement. The appropriate extension to the CONSORT Statement should be referred to where relevant.

Purely observational studies - follow the reporting guidelines of STROBE.

Systematic reviews, with or without a meta-analysis - follow the reporting guidelines of PRISMA. Meta-analysis of observational studies in epidemiology – follow the reporting guidelines of MOOSE. In all cases, authors must provide a completed study flowchart and, to aid editorial assessment of the manuscript, are *encouraged* to provide a completed guidelines checklist.
